

Online Client Member Page (CMP)

Our clients are the best and to show our appreciation we've already created your exclusive online Client Members Page! Your CMP is a one-stop direct access to your post-training electronic compliance records.

Everything that you're receiving in this packet today, plus more is available for you at the click of a button.

Why spend time looking through endless stacks of safety training records?

We've organized your important post-training compliance records for you so visit your Client Member Page Today!.

To access your CMP simply follow the instructions as outlined in the email we've already sent you.

Or

Go online. Direct URL is ehsInternational.org/Members.

Simply click on the first letter of your employer name. Click on your logo and enter in the password that was assigned to you via email.

[Want your own password? - No problem. Email us and we'll change it.]

Once you've gained access to your online CMP you can navigate through folders to view and/or download your records via Adobe PDF.

Adobe Acrobat Reader is required to view records. If you don't have the free program visit get.adobe.com/Reader.

Thank you for choosing ehs!
